G D7
What stuff can you fit in your butthole?
G
The ER docs won't bat an eye.
D7
Buzz Lightyear, a fork, a Ketchup bottle,
G
It's not hard to find things to try.

D7
Do you want this Ketchup in your butthole?
G
We didn’t put it on our fries
D7
These grill tongs should give you reassurance
G
This ball gag will muffle your cries.

D7
Insurance will cover all the x-rays
G
That hamster was bored anyway

D7
That pint glass won't come out in one piece but
G
The stitches won't lengthen your stay.

D7
I'm not sure my ass was meant to hold this
G
Big can of deodorant spray
D7
That Barbie just lost its rubber head but
G
She'd smudged her cute smile anyway

D7
I thought I had turned my phone to vibrate
G
Now grandma can't give me a call
D7
I wish that live eel wasn't electric
G
That light bulb was no fun at all.

Based on Unwritten by Natasha Bedingfield

VERSE 1

D
I am too sober
Can’t speak my mind
I’m too refined
The night’s beginning
The vape in my hand
Now what is my plan ?
D Cadd9
Staring at the baggie before me
Bm
Open up the dirty ground score
Gm/Bb
Let dance safe illuminate
what’s really in here
D C
Hoping for something that’s designer
G/B
So close I’m about to taste it
NC
Release all of my fucks

CHORUS

Bm
Feel the drugs in my butt
Em G
I just much prefer to boof them
D Bm
Keep my microbiome clean
Em G
Nothing else, nothing else
Dsus2 Bm
Can do just what it does to me
Em G
I just need to get it tested
D Bm
At this point i'm so invested
Em G
Your tent is where my boof begins
D
The rest is still unwritten

Oh, oh, oh

VERSE 2

D
I got it tested
Turns out my find is great for these vibes
We’ve been conditioned to just eat our drugs
But I can't live that way
D Cadd9
Staring at the boof stick before you
Bm
Open up your dirty butthole
C
Let the drugs illuminate the truth of all existence

D Em7
Reaching for something with your consent
Cadd9
So close I can almost taste it
NC
Release all of my fucks

CHORUS

Bm
Feel your dick in my mouth
Em G
No one else can suck it for you
D Bm
Only you can let it in
Em G
But hang on, there are still
Dsus2 Bm
Lots of drugs in your butt
Em G
Drench yourself in drugs we've chosen
D Bm
Then live your life with ass wide open
Em G
Tonight is where our shtick begins

CHORUS

Bm
Feel the drugs in your brain
Em G
No one else can feel it for you
D Bm
And it's time to leave the tent
Em G
But I can't But I can't
Dsus2 Bm
Find the zipper and pull
Em G
Now we're stuck in here forever
D Bm
But the night keeps getting better
Em G
Tonight is where we fuck all night

Our shtick is still unwritten
